## Cattleman's Feeder

"A Tradition of Quality" Since 1922

### INTRODUCING THE NEW Cattleman's Feeder

Just the right size for 10-25 head

Our new **Cattleman's Feeder** is just what you have been searching for. This feeder is the perfect size for the specialty cattleman grower with 10 to 25 head. This unit includes all the best and most popular features of our Steer Stuffers such as the confinement package and stainless steel bottom. This double sided feeder includes the Smidley long lasting agitator and two-piece roof.
