Cattle Feeders

Steer Stuffer

Smidley Steer Stuffers are regarded by farmers for their exceptional durability, efficiency, and ability to reduce labor costs. These feeders are designed to minimize feed waste with their smart, waste-proof mechanism and can handle various types of feed. Available in different capacities to suit various herd sizes. Smidley Steer Stuffers make feeding easier and more cost-effective, helping farmers achieve better cattle gains.

Features and Benefits

- ✓ **Constructed with Medex** strong, dense, moisture-resistant wood that withstands wear and tear from cattle.
- ✓ **White Oak Base** strong and durable wood that is naturally resistant to pests, rot and decay.
- ✓ **2 Coats of Non-Toxic Paint** acts as a barrier to prevent rotting & warping due to rain, snow, or humidity.
- ✓ **Wide Overhang on Roof** helps to keep the feed dry, reduce spoilage.
- ✓ **Waste-Proof Design** minimizes spillage and ensures feed is consumed by the cattle, resulting in lower feed costs.
- ✓ **Large Capacity Feeder** enables bulk feeding which reduces frequent refilling.
- ✓ **Agitator** prevents bridging and clumping, ensures consistent feed availability, handles various feed types to best suit cattle.
- ✓ **Confinement Package** galvanized metal wrapping keeps cattle from chewing the wood.
- ✓ **Stainless Steel** bottom trough extends life.

597RC	7' Stuffer Roof Complete	200 lbs.	\$ 1,172.00
597RT	Top Section of 7' Stuffer Roof	120 lbs.	\$ 635.00
597RB	Bottom Section of 7' Stuffer Roof	80 lbs.	\$ 536.00
5910RC	10' Stuffer Roof Complete	300 lbs.	\$ 1,486.00
5910RT	Top Section of 10' Stuffer Roof	175 lbs.	\$ 795.00
5910RB	Bottom Section of 10' Stuffer Roof	125 lbs.	\$ 691.00
10930	Steer Stuffer Agitator Section Complete	10 lbs.	\$ 78.00
10728	Ladder (complete)	17 lbs.	\$ 85.00
20287	10' Steer Stuffer Replacement V-Trough Galvanized	45 lbs.	\$136.00
5910BT-CR	10' Steer Stuffer Bottom Tin (Pair) Cut for Repair	45 lbs.	\$146.00
20289	10' Steer Stuffer Replacement V-Trough Stainless Steel	33 lbs.	\$263.00
5910BTS-CR	10' Steer Stuffer Bottom Tin Stainless Steel (Pair) Cut for Repair	45 lbs.	\$390.00
20286	7' Steer Stuffer Replacement V-Trough Galvanized	30 lbs.	\$91.00
597BT-CR	7' Steer Stuffer Bottom Tin (Pair) Cut for Repair	30 lbs.	\$94.00
20288	7' Steer Stuffer Replacement V-Trough Stainless Steel	22 lbs.	\$176.00
597BTS-CR	7' Steer Stuffer Bottom Tin Stainless Steel (Pair) Cut for Repair	30 lbs.	\$265.00

CATTLE FOUNTAIN ACCESSORIES

Part #	Description	Price
10038	#1 Cattle Fountain Heating Element Quantity (1) (D-shaped element)	\$ 33.00
10045	#2 Cattle Fountain Heating Element Quantity (1) (W-shaped element)	\$ 33.00
10038	#3 Cattle Fountain Heating Element Quantity (2) (D-shaped element)	\$ 33.00
10038	#5 Cattle Fountain Heating Element Quantity (2) (D-shaped element)	\$ 33.00
10038	#3 Combination (center float box) Heating Element Quantity (4) (D-shaped element)	\$ 33.00
10038	#3 Combination (end float box) Heating Element Quantity (3) (D-shaped element)	\$ 33.00
10038	#5 Combination Heating Element Quantity (4) (D-shaped element)	\$ 33.00
10038	#3 Cattle Trough Heating Element Quantity (2) (D-shaped element)	\$ 33.00
10038	#5 Cattle Trough Heating Element Quantity (4) (D-shaped element)	\$ 33.00
10038	Sheep Trough Heating Element Quantity (4) (D-shaped element)	\$ 33.00
14537	Float and Valve Complete for #1 & #2 Fountains	\$ 36.00
915FVF	Float and Valve Complete for #3 & #5 Fountains & Troughs	\$ 60.00
