Feeders & Waterers

Wooden Medex® Sheep/Lamb/Goat Feeders

All wooden feeders are standard with stainless steel bottom floor, oak runners and Medex® siding. Hood over trough area helps keep feed dry. Includes Smidley patented agitator system for free flowing feed.

SUPER Double sided models provide the highest capacity for the lowest cost. Double sided models are 60" high and 52" wide.

Part #	Model	Openings	# Head	Capacity	Length	Shipping Wt.	Retail Price
19988	Super 4	8	40-48	30 bu.	45"	450#	\$ 2,914.00
